OUR BUYER HAS BOUGHT FROM TWO OF THE LARGEST MILLS THEIR ENTIRE LOT OF

..MILL ENDS..

MILL ENDS means pieces of goods that are perfect as any made, only they are too small to be put up as bolts and are therefore put aside by the mills and closed out regardless of their cost as they are anxious to get rid of them. WE BOUGHT ABOUT \$20,000 worth of these goods, at about ONE HALF THEIR ACTUAL VALUE and WE WILL SELL THEM AS WE BOUGHT THEM, FOR ONE HALF OF ACTUAL VALUE. In order to make this sale the most successful one of the season, we have gone through our stock and selected a lot of odds and ends and broken lots of every department in the house, and we will also sell them at Mill End prices. Remember that these goods are all new and up-to-date, no old stock being worked off, and now is your chance to lay in your yearly supply at prices that will never be quoted here again.

THIS SALE BEGINS
MONDAY, MARCH 3
